PROFESSIONAL SUMMERY

Java Full Stack Developer with hands-on internship experience in building scalable web applications using Spring Boot, React.js, and MySQL. Strong understanding of RESTful API development, MVC architecture, and frontendbackend integration. Passionate about writing clean, maintainable code and contributing to production-read applications in fast-paced environments

TECHNICAL SKILLS

Programming Languages: Java, JavaScript (ES6+), SQL

Frontend: React.js, Redux, HTML5, CSS3, Bootstrap

Backend: Spring Boot, Spring MVC, Hibernate, REST APIs

Database: MySQL, Oracle, JDBC

Tools & Platforms: Git, GitHub, Maven, Postman, Vercel

Core Concepts: MVC Architecture, CRUD Operations, ExceptionHandling

PROJECTS HANDLED

Nexora – Full Stack E-Commerce Application

Tech Stack: React.js, Redux, Spring Boot, MySQL, REST APIs, JWT, Bootstrap

- Developed a full-stack E-Commerce web application using React.js (frontend) and Spring Boot (backend).
- Implemented secure user authentication and authorization using JWT.
- Designed RESTful APIs for product management, cart operations, and order processing.
- Integrated MySQL database for storing users, products, and transaction data.
- Built responsive UI components using React Hooks and Bootstrap.
- Implemented role-based access control (Admin & Customer).
- Deployed application on cloud/local server with proper error handling and validation.

Employee Management System – MVC Based Web Application

Tech Stack: Spring MVC, Spring Data JPA, Oracle, JSP, Bootstrap

- Built a Spring MVC-based web application to perform CRUD operations on employee records. Implemented REST controllers and integrated Spring Data JPA for database persisten Applied form validation and global exception handling mechanisms.
- Connected application with Oracle database using JDBC
- Responsive design with a clean, Amazon-style header and footer

INTERNSHIP EXPERIENCE

Full Stack Java Developer Intern
Rugvedha Technologies | Feb 2024 – May 2024

- Contributed to development of RESTful APIs using Spring Boot.
- Assisted in frontend-backend integration using React.js.
- Participated in API testing and debugging using Postman.

- Worked on database management and query optimization using MySQL.

Public Relations & Digital Operations Intern Janatha Media Services | Aug 2023 – Sep 2023

Assisted in managing website content and digital promotions.

Supported online communication strategies to enhance digital presence.

-

EDUCATION

B.Sc. Computers
Dr. B. R. Ambedkar University | 2021 – 2024

Intermediate (MPC)
Sri Chaitanya Educational Institutions | 2019 – 2021

CERTIFICATIONS

- Java Full Stack Development Certification – Naresh i Technologies, Hyderabad
- Java Fundamentals Certification – Infosys Spr
